Installation Guide

WARNING: This product can expose you to chemicals including DINP Diisononyl phthalate, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

Hinge side Fingerguard

Installation Instructions

1. Position bottom of Fingerguard flush with bottom of door.
2. Butt the L shaped (concealed screw) edge to the door side of hinges and mount with TEK self-tapping screws.
3. Roll the finger guard over the hinges and butt the T- shaped (exposed screw) edge to the frame side of hinges and mount with TEK self-tapping screws.
