

LOCINOX

Let's make better fences together

LOCINOX LOCKS
Built to last!

LOCKS - SWING GATES

bolt-on

Locinox locks are the guarantee for a good operating gate. Every lock is tested extensively in order to be sure that our locks will work in all weather conditions.

All the locks have a stainless steel mechanism, fit on left or right handed gates and withstand a 1000h salt spray test - equivalent to 20 years in an external environment.

LA – Standard lock

LM – Mechanical Code lock

LF – Mechanical Code lock Free Exit

LA – Ornamental lock

LE – Electric lock

Build the order reference for your preferred Locinox bolt-on lock using our **CODE BUILDER**, included in this brochure.

KEEPS - SWING GATES

bolt-on

No lock without a keep. The keep is a combination of a Gate Stop and Receiver in one innovative package. The Keep works seamlessly with our locks to provide aesthetic beauty and long service life.

KEEP – Standard

KEEP – Security

- ✓ Stainless Steel keep
- ✓ Adjustable aluminum stop plate with rubber bumper
- ✓ Quickfix

PANIC RELEASE PUSH BAR

- ✓ Anodised black aluminum
- ✓ Order with Chain link lock or mechanical code lock for free exit
- ✓ Easy to install

Order codes

PUSHBAR-L	- Pushbar length - standard 45-1/4" (can be shortened)
PUSHBAR-H	- compatible with hybrid insert locks

PUSH HANDLE SET

- ✓ Fits standard and free exit code locks
- ✓ The 3006PUSH replaces the handles
- ✓ Facilitates the opening of the gate

Order codes

3006-PUSH	- Push handle set in aluminum Follower length 3-15/16"
-----------	---

CHILD SAFETY – FOR PARKS AND POOLS

The Twist40 opens with a "press and twist" action which prevents the access to the pool for small children.

The unique rollerbolt reduces latch resistance allowing the gate to close easier.

SWIMMING POOL LOCK – TWIST 40

- ✓ Stainless Steel roller bolt
- ✓ Only for gate profiles of 1-1/2" (16Ga)

Order codes

TWIST 40	- Adjustable for profiles 1 - 1/2"
Compatible with Standard Keep	

TOOL CASE WITH DRILLFIX JIG FOR LOCKS AND KEEPS

NEW

This jig is designed to self-center on square or round posts, and guarantees perfect alignment. This will allow you to easily drill the 4-hole pattern for the lock or the two holes necessary for the keeper.

The DrillFix comes in a sleek and sturdy case that includes all the necessary accessories to install Locinox locks and keeps.

DRILLFIX

- ✓ Tool case with self-centering drilling tool
- ✓ Drill jig can be used for round and rectangular profiles from 30 up to 76 mm (1-1/4" up to 3")
- ✓ Useful for installation of Locinox bolt-on locks and keeps in 4 easy steps
- ✓ Includes Locitool – 3015LA
- ✓ Includes Allen Key and positioning pin
- ✓ Designed for installing all bolt-on locks and keeps

Order codes
